

seasons green guide rebate application form

This form is to be used to apply for the FirstRate and/or the Seasons Energy Star rebate.

Note:

1. Rebates only apply if the land is purchased directly from the developer, a dwelling is constructed within 2 years from the date of purchase and an application is made within 6 months of obtaining a certificate of occupancy.
2. The Seasons Green Guide was introduced during the release of Stage 4. Therefore the FirstRate Rebate only applies to Stages 4-10 inclusive. Although the Green Guide did not exist during the sale of Stages 1, 2 & 3, Villawood Tarneit will still offer the Seasons Energy Star Rebate of \$1000 to encourage sustainable practice.
